	Check if Schedule O contains a response or note to any line in this Part III	
1	Briefly describe the organization's mission:	
	The mission of Health and Education for Haiti is to work collaboratively with the Haitian people to address their critical needs, especially those related to health and education. We structure our work into four program areas: medical missions, education,	
	infrastructure, and basic needs.	
2	Did the organization undertake any significant program services during the year which were not listed on the	
	prior Form 990 or 990-EZ?	No
3	If "Yes," describe these new services on Schedule O. Did the organization cease conducting, or make significant changes in how it conducts, any program	
3	services?	No
	If "Yes," describe these changes on Schedule O.	10
4	Describe the organization's program service accomplishments for each of its three largest program services, as measure expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to oth the total expenses, and revenue, if any, for each program service reported.	
4a	(Code: 100 ) (Expenses \$ 86,361 including grants of \$ 8,555 ) (Revenue \$ )	
	Health and Education for Haiti's first major program area is medical missions. During 2014, we conducted seven one-week medical	al
	missions to the Grande Anse Department of Haiti and treated approximately 6,500 patients. Our volunteer doctors and nurses	
	donated over 4,000 hours seeing patients. The volunteers paid all of their travel costs to and from the city of Jeremie. Our	
	volunteers diagnosed each patient and provided them with medications to treat their conditions. We also made 389 referrals for people with serious or chronic conditions to other providers and paid all of the expenses for their care, including a small travel	
	stipend based on their distance from the provider. Of those 389 referrals, 28 people were referred to Port-au-Prince or other major	
	location for serious conditions that could not be treated in the Jeremie area. We provided funds to these individuals so they could	
	travel and pay for their medical care.	
4b	(Code: 200 ) (Expenses \$ 45,331 including grants of \$ 44,921 ) (Revenue \$ )	
	Health and Education for Haiti's second major program area is education. During 2014, we provided several grants that enabled	
	us to assist over 1,400 students to attend primary or secondary school. Grants totaled \$1,966 to assist 10 individual students with	 1
	tuition payments. These students have special needs identified through our medical missions. These funds were paid to the pare	
	of the special needs children upon inspection of the bill from the special needs school and a prognosis from the school. In addition	
	Health and Education for Haiti also subsidizes teacher salaries to reduce the overall cost of schooling to make it less expensive for all. Grants of \$42,955 were paid directly to 3 schools to cover significant portions of teacher salaries. Over 1,500 students attend t	
	three schools: St. Paul's Parish School (Grades 1-12, over 750 students), Heart of Jesus School (Grades 1-6, over 600 students), a	
	College Notre Dame (Grades 7-12, over 80 students) benefited from these grants with significantly reduced education costs. College	
	Notre Dame is the only secondary school within a 15 mile radius, so it is an enabler for these students who otherwise wouldn't att	
	secondary school.

+0	(Code: 300) (Expenses \$ 6,163 including grants of \$ 5,146) (Revenue \$ ) Health and Education for Haiti's third major program area is infrastructure. During 2014, we provided grants to support a coffee	
	growing program in Anse d'Hainault (\$1,500) and to complete repairs to a school building (\$3,000). We also continued our club for	ot
	program at the main hospital in Jeremie. We continue to pay for the nurses and materials for the bi-weekly castings to treat over 2	
	children. This year we provided individual grants of \$646 to send 4 of our children to Port-au-Prince to have the final surgery and	
	receive braces to support their improved condition.

### Part V Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Part I, line 2
Health and Education for Haiti monitors all grants given to organizations. Our Executive Director, Pat Labuda, goes to Haiti at least three
times per year and meets with each organization we grant funds to. She makes an evaluation of how these organizations have used the
funds. For example, if we grant funds to expand a school, she examines the school to validate that school was in fact expanded. We also
request an accounting from the organization of how they used the funds. We ask that they provide us with receipts, when possible. We
retain the receipts when we can, and leave them with the organization when the organization needs them for future purposes.
Individual grants are also monitored by Health and Education for Haiti. All our individual grants are medical referrals or tuition assistance.
Medical referrals are granted a small travel stipend based on their distance to Jeremie to enable them to travel to receive their medical care.
This travel stipend is set by our Executive Director who bases it on actual costs. All our referrals are tracked on a referral form. We digitize
these forms and perform analysis to identify potential for abuse. Individuals with more serious conditions are referred to Port-au-Prince for
advanced care. The individuals are provided with a check using an estimate based on our Executive Director's nearly 25-year experience
working in Haiti. Chronic cases must provide her with proof of receiving care and a prognosis for additional grants to continue receiving care.
Part I, column (f), line 3
Health and Education for Haiti uses the accrual method for accounting for cash and non-cash expenditures. We account using actual
expenses throughout the year. The amounts for hospital expenses for the period between October and year-end are not reasonably
estimable and are typically less than 3% of expenses. Therefore, we have elected not to accrue these expenses, and they are not included
in the amount reported in this column.

Part III
Health and Education for Haiti uses the accrual method for accounting for cash and non-cash expenditures. We account using actual
expenses throughout the year. We have no year-end accruals. At this time we are giving grants with a single payment. As described
above, if there are any patients who have chronic conditions, they must bring proof of receipt of care and a prognosis to receive additional
funds.
Part III, column c
Health and Education for Haiti retains a record of all referrals. Each referral to Port-au-Prince has their grant amount tracked by issuing
a check for the grant. Additionally, this referral listing provides a total count, including those who only received the travel stipend for the
costs of travel to Jeremie. All educational/tuition assistance is tracked by the individual student or school depending on if the check was
written directly to the school, a partner organization, or the student directly.

Health and Education for Haiti also intends to post annual reports on our website which will contain finance	ial information and audited
financial statements (when an audit is required by corporate policy or state law). Any other requests for in	formation for items such as:
certificates of authority, charitable solicitation registrations, and more detailed financial statements will be	evaluated and may be provided

Part XII Line 2	
Health and Education for Haiti is committed to providing open and transparent financial information to fina	incial statement users. Due to the
significant cost to obtaining a financial statement review or audit by an independent public accounting firm	n, our board has enacted a policy
to obtain such a review or audit when required by state law or otherwise deemed in the best interests of He	ealth and Education for Haiti.
Maryland law requires that a non-profit obtain a financial statement review or audit when contributions exc	eed \$200,000 or \$500,000
respectively in a particular year. Other reasons our Board may desire a review or audit include grant writin	g or participation in workplace
giving campaigns such as the Federal Government's Combined Federal Campaign.	
The Board of Health and Education for Haiti has not required a financial statement review or audit for 2013	, nor have our revenues required
such a review or audit under state law. Therefore, we have elected not to have an audit or review performe	d to save funds for program
purposes.
